President's Message

Thanks for your support in electing me as your new president. Although it was not a position I was counting on serving, since I did, I can assure you that I will fulfill it in a positive and creative way with new ideas and hopefully inspiration from you, too!

I am currently drafting a flyer with my personal goals, concerns and opinions that we might consider.

I ask that you review, critique and share most importantly,your honest opinions relative to the information within it,

Sincerely,

Marie Potter

P.S. Please be advised that I am currently the liaison between TCC and O'Rielly Chevrolet. Please feel free to contact me with any questions or issues that may occur and involve your interaction with the service provided. I'm available to assist and resolve the experience.

date. NCM Ambassador Breck Alberts disagreed with this statement indicating that events had to be brought to the board. Vicky said only if the chairman needs club funds then the board would need to approve of the spending. The following is from TCC By-laws:
Section 6 -Duties of the Activities Chairman

The Activities Chairman shall: coordinate all open and closed events maintain an event calendar of local and regional sport car activities. Said calendar shall be made available to the membership, maintain point system records for annual Club activities and participation awards aide, supervise or advise on an event when necessary be encouraged to submit at least one article per newsletter to the Editor. be responsible for overseeing all events and making sure that events are within budget and guidelines are followed. give an event packet to all event chairmen prior to scheduled event. Event packet shall include a sign-in sheet; event budget sheet, release forms, as appropriate, and any other forms that may be pertinent. The packet shall include an information sheet containing instructions as to the disposition of the forms.

- Jim Nesci indicated support for Breck Albert's argument that the board should approve any activity since at any TCC event, the club could be sued

Vice-President Marie Potter
- President Vicky Stockton recognized Marie Potter for the hard work she did to start and run the sponsorship program which boosts our falling treasury while letting our members know about local businesses of interest. To date is has brought in over $1000. In appreciation, Vicky presented Marie with a small plant and a $50 gift certificate to Olive Garden. Note: The items were gifts from some board members, not from the treasury.
- Marie Potter mentioned needing more club members and more participation from current members

Officer-At-Large Barry Scofield
- Has hats and license plate frames for sale

Old/New Business:
- Before the meeting began, Morgen Forrest distributed the pre-ordered name badges
- New member Steven Katz mentioned that he had been an organizer of an event and liability was a concern

Treasurer Rich Stevens
- Reported savings balance and checking
- Paid $69 for printing newsletters

Vicky did a roll call of all present. She said it would help her learn everyone's names. She then asked who would be going to Pizza Hut after the meeting, 9 people raised their hands.
Door prize drawings, Arline Arnold and Regina Katz won matchbox Corvettes, Tim Boyajian won a NCM raffle ticket for a full size Corvette. The meeting adjourned around 8:30 pm.

Twenty Fourth Annual Tubac Car Show

The show on January 27th was a very nice as the weather and participation were both good. Jim Goodall and I met up at the Circle K and headed down past the pecan farms to Tubac. Was a little cool first thing in the morning and the cars were delayed getting on the show area because of frost on the greens. Once the sun got up a little the frost was gone and the rest of the day was perfect for a car show.

The Van Orden bothers (Blair and Jay) were there although they were without Corvettes.

There were a number of Corvettes displayed in two classes (53 to 82 and the modern glass). The good news is I won the 53 to 82 class with my 59. So if you happen to see Hank Savko, be sure and tell that his "good work" is still "working".

Jerry Daughenbaugh

What is Vail Vettes?

It started off with Corvette owners in the Rancho Del Lago/Del Webb Community in Vail. We had a meeting headed up by Nancy Gray (former TCC member) to see if there was interest in getting together a couple of times a month for cruising somewhere. There was definite interest so we decided once a month (usually the second Saturday of the month) we would take a day drive somewhere and have either breakfast or lunch while out. We also decided once a month we would cruise to a restaurant for dinner, usually the last week in the month.

We have been to Cars and Coffee at La Encantada, Mt. Lemon, Bisbee, Tombstone, Tubac, Sonoita to the new Copper Brothel Brewery, and even a day trip to Globe. We have been to numerous restaurants for dinner also. We always welcome new ideas for both day trips and cruising to dinners.

Through word of mouth and some advertising in the monthly Vail Voice we've added new folks outside of the Vail area. This is NOT a club, there

Chevrolet trademark(s) used with the written permission of General Motors

are no dues or commitments. It is just Corvette folks (new or classic) getting together for some stimulating conversation and cruising with their Corvettes.

During the months of June, July and August we are taking a hiatus as many folks in our group will be traveling during those months as well as unpredictable monsoon weather. If you have an interest when we resume our 'trips' you may contact Nancy Gray spanishtrailnkg@aol.com.

Sunday, July 1st we again will be celebrating National Corvette Day at Hacienda Del Lago in Vail. It will be part of the July 4th celebration Vail has every year. It will be from 10:00 am to 2:00 pm. There will be music and food trucks. This event is not limited to Corvettes. Classic cars of any make are welcome. Hope to see you there.

The DM 50 Picnic and Classic Motorcycle and Car Show

It was beautiful weather for the 10th Annual Classic Motorcycle and Car Show at Bama Park on Davis Monthan AFB on 14 April 2018. Three cars from SDC and two from TCC arrived at the Swan gate about 9:30 where show volunteers and military guards verified our identity and gave us instructions on where to go. There were volunteers to direct us to the paved parking lot next to Bama Park where the car show was held.

There were over 100 vehicles participating in the people's choice car show in a wide variety of categories. The overall winner was a 1955 Lincoln Capri Taos Turquoise Exterior and White Leather Interior. Some other winners, a 1940 cream colored MG GTC in the British category, a 1970 dark green Nova won Military category, a 1953 cream Porsche won the Germany category, a blue 1977 Datsun 280Z won the Japan category, a 1962 blue Ferrari GTO won the France/Italy category, a Yellow Mercury won the Cars- 1950-Prior, a 1955 Ford Fairlane won Cars- 1951-1974 and Orange 2014 Dodge Charger won Cars-1975 - Present.

For the Truck 1950 & Prior category a 1948 Ford Pickup won, and in Truck - 1951 to Present a 1958 Chevy won.

Along with the car show, this was a picnic for the military families and car show participants. We had a nice lunch of hamburgers and hotdogs, music, tours of the boneyard, jumping castles, human hamster ball, and pony cart rides for the kids. I hope you will consider joining us next year.

Micro BASH Gimmick and Poker Rallyes

By Morgen Forrest

Seven teams participated in the Micro BASH combined Gimmick and Poker Rallyes, two from SDC, one from CCA and four from TCC. The Rallyes, which started and ended at Hotrods Old Vail, consisted of a 50 mile loop to Reid Park, then to Tanque Verde to Houghton, Old Spanish Trail and back to Hotrods via Houghton. Along the route, teams looked for answers to the questions included with the route directions. At the beginning, end and at a spot along the route, the teams drew cards for their poker hand. When all the cars returned, the final cards were drawn and the answer sheets scored. The team with most correct answers won the Gimmick Rallye. If multiple teams had the same number of correct answers, then the team that drove the shortest distance placed above the other.

Small wooden saguaro trophies were awarded to the winners. The team of Robert and Barbara Johnson of SDC won the Gimmick Rallye with the TCC father /daughter team of Bob Cummings and Carrie Nelson placing second and Pat and Ray Jenkins of CCA placing third.

TCC's team of Breck and Bonnie Alberts had the best poker hand, while team Bob and Carrie took another second place and TCC's mother-in-law/son-in-law team Donna Cummings and Rick Nelson placed third

Congratulations to the winners and runner up teams. I would like to thank the participants and volunteers Breck Alberts and Jerry McCafferty for performing technical (safety inspections) , Barry Scofield for dealing cards during the Rallye and Marie Potter for helping with the planning. I hope all of the participants enjoyed a nice drive and a little friendly competition.

Tucson Tidbits

I Had been talking to my mother about items to order for her and she was going to call me if she came up with more she needed. I was going to call her back after a week but my brother called just before to tell me she passed away in her hospital on May 9th. Richard and I had to fly to Long Island NY on the following Saturday. The brother who called picked us up to to stay at his house. We went to see her with all 4 of my brothers, my uncle in-law and many people we knew. Mom was buried on Monday next to her second husband who had died years before. We flew back home 3 days later and talked to my 2 sons. I miss her so much - we talked every week for years and went to visit her now and again for her birthday. We will hardly ever go back to NY and would prefer any of my brothers to come visit us.
