TUCSON CORVETTE CLUB GENERAL MEETING January 11, 2011

The meeting was called to order at 7:34 p.m. by president Mike McCaul.

Mike thanked Breck Alberts for chairing the Pistor Card Show, and Mt. View homecoming last year. Mike also announced that we need a chairman for Sonic night and someone for Recording secretary.

Treasurer Deborah Hutchison reported our account balances.

Activities chairman Chuck Serra began by getting a review of past events from those that attended. According to Mike McCaul, there was a good turnout

for the Veterans Day parade. Victor Gerdes estimated that about 80 cars participated in the Nam Jam car show on November 13. Gordon Wotherspoon said 20 cars helped with the NASCAR race in Phoenix. Bob Cummings won Best-of-Show at the November Sonic night. Mike Peterson attended the Tucson to Tombstone Run and Car Show on the 20th. The Breakfast run on Thanksgiving weekend was well attended.

December's events started with a good Oro Valley Christmas parade on the 11th according to Mike McCaul. The next day was the TCC Autocross which drew 25 racers and made a \$350 profit. Kim Sheridan has great autocross photos at KimPhotos.smugmug.com. The final TCC event of the year was the TCC Christmas party where 54

TCC members and guests were treated to great food and dancing at the Elks Lodge on the 18th. The new year started with the Laughlin run on January 7-9, Rich Stevens said it was fun. Margaret Savko said 85 people attended the Sonora Desert Museum breakfast run on 9 January, which also made a profit of \$340 for the club.

Upcoming events include the Immaculate Heart High School Car Show on the 15th; Mike McCaul said 65 cars have already been registered. The Super Bash planning meeting is on the 19th, the Tubac car show on the 29th. In February on the 6th ACC has scheduled an autocross, the 13th is the DCA Sweetheart car show, the 17th is the first Sonic night of the year and the 27th is Drive the Driver NASCAR event.

Membership chairman Nancy Gray said we have two new members, Ed and Joy Santiago, also Brant and Susan Hulderman rejoined which brings our current membership to 152. Nancy has membership packets ready to distribute. The social gathering after the meeting will be at Pizza Hut.

Newsletter editor Arline Arnold has printed copies of the newsletter for those who have requested them. The next deadline for submissions is the first Tuesday in March.

The corresponding secretary was absent.

NCCC Governor Jim Gray said the NCCC membership packets have been sent, let him know if you do not receive yours. NCCC has changed insurance carriers.

Jim also discussed the final individual and club points standings. The regional awards will be distributed at the Sweetheart car show. Jim will also purchase some NCCC pins for this year.

Webmaster Mike Peterson said the web site is currently down while it is being transferred from Kim Sheridan's account to a TCC account. When it is back up, it will have new features such as a member photo page, and a member stories page. Mike thanked Kim Sheridan for his past efforts to set up and run the TCC web site.

NCM Ambassador Breck Alberts is selling \$10 raffle tickets for a Corvette. The museum is arranging a trip to Le Mans. Corvettes are now in the G2 racing class.

Mckayla Peterson won the drawing for a annual membership to the museum.

Officer-At-Large UpChuck has Super Bash shirts discounted, music CDs and other items for sale.

Old Business - none.

New Business - Jerry Fowler has Super Bash sponsor packets.

Arline Arnold won the drawing for a pizza at Pizza Hut. Mike Peterson won a raffle ticket for a Corvette from the NCM. Bobbie Gibson would have won \$25 if she had been present and wearing something with the club logo on it. At the next general meeting, the cash prize for this drawing will be \$50.

The meeting was adjourned at 8:34 pm.

**ARIZONA SONORAN DESERT MUSEUM
BREAKFAST
January 9, 2011**

This was the fourth year we've done this and for the fourth year the Museum staff has gone over and above with their hospitality. The food was wonderful as was the service. If anyone left the Museum hungry it's their own fault.

The drive up the mountain and down again is always nice. It's fun to see people taking notice as the cars wind down the backside of the mountain.

We had 84 people attending; if you missed it this year make plans to be there next year. We will do it again. You never can tell what kind of door prizes Sophia will come up with.

Thank you all so much,
Sophia & Margaret

FORMER SONIC NIGHT

It was a great "run" with having Sonic Night for a couple of years, but those days are in the past. Now is the perfect time for new ideas and new plans. We are so pleased that some energetic folks, like Al and Marie, Mike and Debbie have taken up the torch and are putting together some fabulous choices for an even better course to travel. This is so exciting to be a part of and to participate in – what could be better than to "meet, eat and hit the street". (I stole that phrase from somewhere, tee-hee) We are excited to meet at different places, greet the friends we hold dear and they in turn greet us in the same way, even if we are only the "support team" with no Corvette for show. We extend our congratulations to the new team and you can count on us to be there, or be square. Our thanks to all who came to Sonic, whether it was on a regular basis, or just once in a while – it was always good to see you. Thanks for the memories.

2011 TCC *Border "Hit"* Rallye

Saturday, April 30, 2011

Well, now that we've had a wonderful TCC Christmas party, the Packers have won the 2011 Super Bowl, U of A has become Final Four Champions and Hilary Clinton has declared her presidential aspirations (How 'bout that for optimism????)... Spring has sprung! So, grab your keys and your main "squeeze," dust-off your nuts, get outta dem ruts; bust loose Raguse, be a louse, get outta dat house... and Rallye! Yes, life's a crap shoot, so let's all flee, onward and upward and head to

Bisbee!

Depart TTT Truck Terminal (Omar's Restaurant) at 9:00 sharp; that is, after Rallye sign-in and breakfast (on your own). Check Omar's venue and be a jock, support his menu like a rock. Caravan to Buddy's Bar, sure as shootin', it ain't far... a pleasure pause just for you; perhaps a pee-pee or need to poo?, whatever it takes to pleaseth you; perhaps a photo or drink or two, a *piwo* works as we passthru.

Roll the Bones (#1).

Caravan east, it's the least, around Sierra Veeesta, avoid *that* beast; to Turquoise Valley Golf and Restaurant, Naco. LUNCH (Philly Cheese Steak +) and huge "Closest to the Hole" TCC putting tournament. Big cash prizes (first and second: based upon total number of Rallye participants. Hey, who knows; could be twenty, thirty buck-y, if you da one who is dat lucky!). Roll the Bones (#2).

Caravan on over to Bisbee. Tain't so far in your fast Park (in 24-hour guarded lot-\$10.00 fee req.). Register at Copper Queen Hotel. Group rates from \$99.00 + tax per room (Make your reservations EARLY at **520-432-2216**). We have blocked 20 TCC rooms. They have FIRM reservation date (3/30) requirements for this small incredibly popular Southeast jewel of historic Arizona. Roll the Bones (#3).

Queen Mine Tour (final tour leaves at 3:30 p.m. sharp; you snooze, you lose; take the bait, they won't wait... the employees must be unionized, ha-ha-ha). So, from the golf course to our hotel (a short drive), Jack be nimble, Jack be quick, don't delay 'cause this ain't shtick. Cost \$13.00 each. Those not attending group underground Queen Mine train tour are on their own to shop, rest, booze, color, fight, debauch, etc.

DINNER (Group): Copper Queen Italian Buffet-\$19.25+ each; on your own at Copper Queen's Angela's Italian Restaurant (menu on-line, <http://www.copperqueen.com/>) or your other dining choice. Roll the Bones (#4).

Old Bisbee Ghost Tour: Departs Copper Queen Hotel lobby area at 7:00 p.m. This walking tour returns about 8:30 p.m. to the Copper Queen Hotel lobby. Cost \$13.00 each. Roll the Bones (#5).

Walking Pub Tour to St. Elmo's bar; thence walk onward to the Stock Exchange Bar. Musical entertainment offered at both locations. Thence; walk, stumble, stagger, limp, be carried or otherwise get your butt-ski back to the Copper Queen for a nightcap (as though we'll need it!).

Rendezvous (that's French for "Y'all git back now, ya hear!") at Queen bar at exactly Beer:30 p.m. to distribute the Roll the Bones prize money (aspirins and Tums on request) and finish out the fun filled

night (Mike Bush promises NOT to again sing Bill Haley's '50s hit, "Rock Around the Clock").

Home Sweet Home

Having been gone since December 13, 2010 and returning on February 14, 2011 it sure was nice to be home again.

I drove from Tucson to Boca Raton, Florida in three days, a total of 2,286 miles one way, to take care of an old friend of mine from over 30 years ago. It was a very tough time for me regardless of living right on the ocean and those beautiful Florida beaches. Needless to say when January 23 rd rolled around to go on the long awaited cruise, I was ready.

The "Cruising Fools" Cathy, The Calhoun's, the Brackers, the Victors, the Cummings, the Brashers and Kay all greeted me at their Hotel in Fort Lauderdale, Florida. After some heavy financial negotiations by Cathy we arrived at the port and on to the big ship the NIEUW AMSTERDAM by Holland American Line. We all were invited to the Brackers private suite for a toast to our cruise. Cathy gave out fun necklaces (sort of like in the ones in New Orleans) only with one additional personal necklace for each one of us. Of course Dennis got the golden dollar one, which he really did not mind to show off.

My special treat was: Balloons greeting me at my cabin door with a bottle of Champagne and chocolate covered Strawberries on my desk, a welcome to my first cruise from Cathy. What a surprise that was for me. What a girl, she thinks of everything.

Our ports were Half Moon Cay where the "Cruisin Fools" already snagged the Grand Cabana. What a treat - we all did feel like Royalty - we had our own Bartender and servants, wow! The Hot Tub was even big enough to fit Dennis in with most of all the girls. Whoo Hoo, he must have really felt great with his harem and the never-ending flow of Rum, Tequila etc.

Lynn must have felt especially good as she kept asking, "Are we moving?"

The ocean was a bit cold, but some of us girls were brave enough to take the plunge first, while some guys tried to be brave too.

After Half Moon Cay we went on to St. Maarten where all the guys disappeared to visit the French side of the islands beaches. Anyone guess why????? Just kidding. After St. Maarten we went on to San Juan, Puerto Rico. Saw the Rain Forest and other historical sites. Next stop was Turks &

Caicos. Some of the group rented a great air-conditioned pink Cabana at Margaritaville. We had lots of fun there with a poolside bar and DJ playing great songs while we were dancing in the pool. A blast for sure.

All in all, the cruise was great, the entertainment on ship great along with the food and service. Here are some of questions that passengers actually did ask the cruise director:

1. Where is the elevator to take us to the front of the ship?
 2. How do we know which photos are ours?
 3. What religion are those people with the patch behind their ear?
 4. Does the crew sleep on board?
 5. Does the ship generate its own electricity?
 6. Is the water in the toilette fresh or salt water?
- And the final one:
7. Why does my cabin microwave not work?
(Some mistook the safe for a microwave)

Final conclusion: It was my first cruise and I hope to go on many more, thanks to Cathy and the rest of the "Cruisin Fools".

I have, from the Corvette Garage, **four "Z07" chrome wheels.** (2) 9.5" x 18" and (2) 11" x 19" All specs can be reviewed at the Corvette Garage site. These fit a C-6 Corvette. Stock tire sizes can be used ...or... Z06-sized tires will fit. These wheels will allow the bigger Z06 Brakes to be used on a base, or Z51, C6. (My plan.) I have 275/35ZR18 on the front, and they fit just fine. However I doubt that the 335 tires will fit in the rear without the Z06 fenders. I now have 295/30ZR19 tires on the rears. I will be going with 305/30ZR19 next. These are an extra set that have not been used. No lug nuts or tire pressure sensors, but the center caps are included. On their site these chrome reproduction Z06 wheels are \$1,295.00 with shipping. I'll sell mine for \$1,000.00 and take them to the new owner. "Okay, you drive a hard bargain, I'll take **\$975.00.**"

I also have a "**Snake Charmer**" for sale. This is for a C-6. I have installed a ProCharger so the Snake Charmer is excess. This is a VaraRam intake. At Jeg's it is going for: VaraRam #937-VR-SC1 C6 Snake Charmer Ram Air 2005-07 Chevy Corvette C6 Non-Z06 \$409.99 I will include the plastic panel that I had to cut to fit the intake. This is an optional item, priced at \$65.00 the last time I looked. I will sell all for **\$275.00.** I believe there is an improvement in power, especially when on the highway at speed. I'll add a pic of the wheels. The Vararam site gives lot of details on the intake. New Michelin PS2 tires now cost over \$500.00 each. I need hew tires, so, gotta sell something, quick!

Thank you.
