## President's Message

Those who can, do. Those who can do more, volunteer. ~Author Unknown

Volunteers don't get paid, not because they're worthless, but because they're priceless. ~Sherry Anderson

Volunteers do not necessarily have the time; they just have the heart. ~Elizabeth Andrew

There are literally thousands of quotes such as these praising the actions of volunteers, and the people who volunteer deserve all the praise we can give them.

When I was contemplating whether or not to accept the nomination for president of the Tucson Corvette Club, I heard some of the members, and some of the past leadership say they just couldn't get enough people to take part and get involved. This year it certainly appears there is no shortage of help from the club members.

I have been so thankful for the outpouring of help from the club members, active and associate, old and new. I want to thank everyone who has stepped forward to give their time and support. Volunteerism is alive and well within the Tucson Corvette Club! A great example would be the Superbash planning committee. The first meeting had about eight members attend and the second had about a dozen. The last meeting must have had thirty attendees, the discussion was lively, and we got some of the more important loose ends tied up.

With the 2010 Superbash planning and coordination well in hand, it looks like it may be one of the biggest "bashers" in recent history. We should all be excited to see what the rest of the year may bring!! Join in, get involved, and have fun!

Meeting was adjourned at 8:10 p.m.

**TUCSON CORVETTE CLUB  
GENERAL MEETING  
February 9, 2010**

The meeting was called to order at 7:28 p.m. by president Mike McCaul. Mike announced that Rosemarie Feirn resigned as recording secretary for personal reasons and asked that anyone interested in the position to notify a board member. For this meeting, Morgen Forrest volunteered to take notes. Mike McCaul waived reading the meeting minutes from January.

Mike requested board members to call their assigned members to ask if they would like to receive newsletters and other correspondence electronically in order to cut expenses.

**Treasurer** Deborah Hutchinson reported the account total, with an outstanding bill for copy services. She

will work with the Gaslight print shop to receive printing bills more frequently.

**Activities** Chairman Mike Brasher passed out calendars and discussed upcoming events. The Pistor car show, ACC Autocrosses, and the DCA Sweet Heart Car show are this week. Nancy Olney and Mike Bush dressed in their favorite 1950s duds to discuss the Border Hit Run Murder 50's Mystery Dinner that will take place April 24. They talked about the Rallye, the prizes, menu, cost and how to register on the TCC web site. Jerry Fowler announced that the next Super Bash meeting will be next Tuesday at the Hilton Garden Inn. Eric Forrest talked about Beans and Bullets target shooting and lunch on March 6. The Presidio Car show is on 13 March, and Upchuck discussed a car show at Montgomery's in Vail on the 14th of March.

**Membership** chairman Nancy Gray introduced new members Gord and MaryAnn Witherspoon, which brings our total to 163 members. She invited everyone to cruise to Pizza Hut after the meeting.

**Newsletter** editor Arlene Arnold said that newsletter articles are due on 2 March. Let her know if you would like your newsletters electronically delivered instead of a hard copy.

**Corresponding** secretary Cherie Fowler was absent, but Jerry Fowler asked that everyone get his or her correspondence to Cherie.

**NCCC Governor** Jim Gray explained that there are no pins in the membership packets this year because including them would double the postage costs. If you have any issues you would like him to present at the next meeting at the end of this month, let him know.

The National Corvette Museum Ambassador Breck Alberts has pocket calendars if you would like one. He said the last Corvette drawing was won by a North Carolina man, Breck is selling \$10 raffle tickets for a 2010 red convertible. Other raffle tickets are available on line at the museum web site, where you can also download a February calendar for your computer. The museum's magazine American's Sports Car has an map with the total number of museum members by state. Breck noted that Arizona has 671, which ranks 17th. A raffle for a year's museum membership was won by Sara Summerset, Breck and Bonnie Alberts daughter.

**Officer-At-Large**, Upchuck has pins, caps and CDs for sale.

### Old Business

- President Mike McCaul passed around a sheet to sign if you would like to receive correspondence electronically instead of by mail.
- Ron Bates announced he drove his 1964 red Corvette to the meeting, a momentous occasion as it has been under repair for some time
- O’Rielly Chevrolet is looking for a 1955-1959 Corvette in mint condition. They are willing to pay in the range of \$100,000.

**New Business** There was no new business.

George Kulesza won a medium pizza from Pizza Hut, Janet Fetherman won a club T-shirt and Ben Anthony won a raffle ticket for a Corvette. Karen Pena would have won \$50 if she had attended the meeting and had worn a club shirt. The meeting was adjourned around 8:40 pm.

### TUBAC CAR SHOW January 23, 2010

The Tubac Car Show went off in spite of the weather. We all met at the Circle K and left on schedule.

The show was moved to the parking lot entering the Country Club. They didn't have time to put us in rows or groups so all the cars were mixed up. This made judging difficult.

The TCC corvettes did all right any way. Blair & Junean Van Orden, George & Ginny Brown, and Lee & Laura Bucklin all won. TCC had a nice show of cars and the day stayed sunny and dry.

*Hank & Margaret Savko*

(Nancy Gray thought it would be interesting if the newsletter had stories about our members getting their Corvettes, so to get things started here’s the story of my ‘Vette which I wrote just after I bought it on Nov.4, 2002.)

### ***SOMEDAY*** by Arline Arnold

I have been a member of a Corvette club since 1977, gone to a lot of Conventions, races of all types, car shows and many other events over the years, but have only driven a Corvette three times. The first and second time was a small block 3-speed ’65 coupe. It was nerve-wracking enough trying not to damage it’s oxidized maroon body while worrying about working three pedals with two feet and trying to shift without peeking at the little diagram on the lever. Letting the clutch pedal up while pressing the gas pedal and not stalling was complicated by rolling backwards on the exit ramp.

My third drive was a ’78 silver anniversary. I was the only one available to run errands when my club was putting on a WSCC Convention. The ‘Vette’s owner had become ill and handed me the keys to drive to the trophy shop ASAP. Thankfully the ‘Vette was an automatic! I parked way out in the lot and found I could not get the key out of the ignition—I jiggled and pulled, looked all over for a release lever to no avail. Finally I slipped the key ring off the starter key, locked the car and ran to pick up the trophies. Luckily I met another Corvetter coming out of a shop and got educated. Two more trips to the shop were necessary and I *loved* driving that ‘Vette!

Ever since that day I’ve had in the back of my mind that *someday* I would have one of my very own.

That *SOMEDAY* finally came! On November 4<sup>th</sup> I got my shiny red (of course) 1985 automatic coupe!

### ARIZONA SONORA DESERT MUSEUM BREAKFAST January 17, 2010

This year’s breakfast as in the past was wonderful and lived up to our memories. We want to thank all of you for coming out and supporting this event. Hopefully we will be able to do it again next year. You really have to see all the Corvettes winding down the mountain. It really makes a pretty picture. Again, thank you,

*Margaret & Sophia*

## PISTOR MIDDLE SCHOOL CAR SHOW

On February 10<sup>th</sup>, 2010 fourteen Corvettes arrived at the Pistor Middle School for a student's benefit car show. Also in attendance were a live band, hot rods, old cars, antique cars, a monster truck, race cars, and the Sheriff's department helicopter, patrol car, and Border Control department car. The weather threatened rain and then showered a bit but let up in time for the food and festivities to go on. We had lots to eat and drink as is customary for this show. Many raffle prizes were given out with the Corvetters receiving their fair share. Overall it was a fun time with the students looking at the cars, asking questions and sitting in some of them with the owner's permission (future Corvette owners). Lots of smiles from the students. We look forward to next year's show.

*Breck Alberts*

I have, from the Corvette Garage, **four "Z07" chrome wheels**. (2) 9.5" x 18" and (2) 11" x 19" All specs can be reviewed at the Corvette Garage site. These fit a C-6 Corvette. Stock tire sizes can be used ...or... Z06-sized tires will fit. These wheels will allow the bigger Z06 Brakes to be used on a base, or Z51, C6. (My plan.) I have 275/35ZR18 on the front, and they fit just fine. However I doubt that the 335 tires will fit in the rear without the Z06 fenders. I now have 295/30ZR19 tires on the rears. I will be going with 305/30ZR19 next. These are an extra set that have not been used. No lug nuts or tire pressure sensors, but the center caps are included. On their site these chrome reproduction Z06 wheels are \$1,295.00 with shipping. I'll sell mine for \$1,000.00 and take them to the new owner. "Okay, you drive a hard bargain, I'll take \$975.00."

I also have a "**Snake Charmer**" for sale. This is for a C-6. I have installed a ProCharger so the Snake Charmer is excess. This is a VaraRam intake. At Jeg's it is going for: VaraRam #937-VR-SC1 C6 Snake Charmer Ram Air 2005-07 Chevy Corvette C6 Non-Z06 \$409.99 I will include the plastic panel that I had to cut to fit the intake. This is an optional item, priced at \$65.00 the last time I looked. I will sell all for \$275.00. I believe there is an improvement in power, especially when on the highway at speed. I'll add a pic of the wheels. The Vararam site gives lot of details on the intake. New Michelin PS2 tires now cost over \$500.00 each. I need new tires, so, gotta sell something, quick!

Thank you.
